Dear Jake:

He went by your place yesterday apt. and found every thing O.K. Nucle Jim and John were both on the job. I took your two bags of peas back as we didn't need them down here.

I finish planting peas Sat. in rows and had some Crab-ham's left to plant in cotton. John will finish planting for hay and in corn today. He said he was glad I took

the peas to him, for he was afraid he would not have enough without them.

He will plow cotton tomorrow & am hauling lumber today for the barn and Bennett says he is going to give it to me as fast as I can move it. Beckwith has finished the brick work and used 4940 brick. I told Cape to start to strip some fodder this P.M. if he could get it done @ 75 per acre.

Don't think I will try to strip much as the corn is pretty badly blown down.

Quite a lot of ~~things~~ cotton  
on the road has from one  
to four open bolls to the stalk,  
but that was the only open  
cotton I saw on the 45 mile  
trip.

Why don't you send me a  
post card now <sup>and then?</sup>  
I hope you <sup>and</sup> Kettie are  
enjoying yourselves to the  
fullest. As ever  
Pat.
