

## THE SATISFYING PORTION

'Tis religion that can give  
Sweetest comfort while we live,  
'Tis religion must supply  
Solid comfort when we die.

After death, its joys will be  
Lasting as eternity;  
Be the living God my Friend,  
Then my joys shall never end.

—Anonymous

*"We know that if the earthly house of our tabernacle be dissolved, we have a building from God, a house not made with hands, eternal in the heavens."*

II Cor. 5:1

## FOREWORD

The cemetery is located on the church grounds adjacent to the church building. The church was organized in 1785. The second building was erected in 1826 and was used until a brick building was erected in 1890. The present sanctuary was built in 1955.

The cemetery has been used as a community burying ground since the beginning of the earliest church. In the old part it is known definitely that there are a number of graves unmarked. These are identified by a rock or a small stone, and are listed in the back of the directory. Located in the grounds are ten soldiers of the Revolutionary War and four of the War of 1812. Nearly a hundred Confederate War dead and a number of World War One and Two, also one Spanish American and one Vietnam.

The S. D. Barron Chapter of the United Daughters of the Confederacy began annual meetings at Ebenezer Church on May 10, 1882 to observe Confederate Memorial Day, to honor those who were killed in the War Between the States and also the War of 1812. This group raised money for and erected on Ebenezer grounds a monument to those honored dead. It was unveiled on Sept. 2, 1908 with suitable and elaborate ceremonies.

There are quite a number of odd epitahs, some are in riddle. A few of the tombs have the family coat-of-arms, a custom brought from the old country. Time and weather have made some of these stones almost illegible therefore the reason for preserving these records, as on these stones are history and many interesting facts. Some tell of a grim accident, others of a terrible epidemic which took the lives of many young people and children.

## AVERY

An interesting grave is that of the most beautiful girl in the South in antebellum days, Mary America Avery, born in 1832 to Col. and Mrs. Edward Avery. At the age of 21 Mary made her debut in Columbia, it was here she was acclaimed the most beautiful girl in the South. Shortly after she was married to Dr. Hugo Toland and died a few months later in California, Sept. 22, 1852. Her body lay in a vault for 25 years and was brought to Ebenezer church cemetery in 1877, to rest beside the graves of her parents.

The oldest known marked grave is that of Stephen McCorkle C2-12, Died Sept. 22, 1790 age 55. The second oldest marked grave is that of Susannah Neely C2-8 Died April 22, 1792, age 33 years.

It is believed that Major Hall, a large land holder, used slave labor to construct the stone wall with large stones laid on each other but not cemented. It has been enlarged from time to time and in 1933 was enlarged, rebuilt, and loosely joined with cement. Government Relief Funds were used for this project.

In the beginning burial was free. Later a nominal charge of \$10 per lot was initiated. After the cemetery was enlarged and surveyed so that lots would be symmetrical, a charge of \$10 per grave was started.

In 1920 the members of the Christian Endeavor took a census of the cemetery, and from that information Dr. Bailey made a card index. From that time until his retirement Dr. Bailey kept a record of all burials, even though there is no marker. Unknown location of graves are marked by an asterisk (\*).

The Ebenezer Memorial Association was organized September 2, 1945. Purpose of the organization was to provide means and authority for taking care of the church and cemetery grounds and plan for enlargement of the cemetery.

First officers of the association were President, Erwin Carothers; Vice President, Miss Mabel Jackson; and Secretary-Treasurer, Miss Annie Leitner Salters.

A caretaker's house was built in 1946 and dedicated at the annual meeting the first Sunday in September of that year. At this time a Board of Directors was selected, five in number, with one of the five to be the supervisor.

The 1955 officers were President, T. E. Steele; Vice President, Miss Juanita Neely; Secretary, Miss Jennie McNaull; Treasurer, Roy Hutchinson; General Manager, Joe H. Steele.

In recent years the cemetery has been surveyed and divided into 50 ft. sections and a small round cement marker at the corner of each section. The letters from A to F are used to designate the lines parallel to the Rock Hill-York Highway. The numerals from 1 to 8 are used to indicate the intersecting lines.

The Key Letter and number after each name indicate the section in the cemetery where the grave may be found.

AVERY

An interesting grave is that of the most beautiful girl in the South in antebellum days, Mary America Avery, born in 1831 to Col. and Mrs. Edward Avery. At the age of 21 Mary made her debut in Columbia. It was here she was married to a young man of the same name. The wedding took place on the 11th of May, 1852. Her body lay in state for 25 years and was brought to the cemetery in 1927.

Sponsored by  
EBENEZER MEMORIAL ASSOCIATION

The oldest known marked grave is that of Stephen McCorkle (2-12). Died Sept. 22, 1726 age 55. The second oldest marked grave is that of Susannah Nye, (2-8) Died April 22, 1792, age 55 years.

It is believed that Major Hall, a large land holder, used slave labor to construct the stone wall with large stones laid on each other but not cemented. It has been enlarged from time to time and in 1935 was enlarged, rebuilt, and heavily lined with cement. Government Relief Funds were used for this project.

1975

In the beginning burial was free. Later a nominal charge of \$10 per lot was imposed. After the cemetery was enlarged and surveyed so that lots would be symmetrical, a charge of \$10 per grave was started.

In 1926 the members of the Christian Endeavor took a census of the cemetery, and from that information Dr. Bailey made a card index. From that time until his retirement Dr. Bailey kept a record of all burials, even though there is no marker. Unknown locations of graves are marked by an asterisk (\*).

## THE SATISFYING PORTION

'Tis religion that can give  
Sweetest comfort while we live,  
'Tis religion must supply  
Solid comfort when we die.

After death, its joys will be  
Lasting as eternity;  
Be the living God my Friend,  
Then my joys shall never end.

—Anonymous

*"We know that if the earthly house of our tabernacle be dissolved, we have a building from God, a house not made with hands, eternal in the heavens."*

II Cor. 5:1

## FOREWORD

The cemetery is located on the church grounds adjacent to the church building. The church was organized in 1785. The second building was erected in 1826 and was used until a brick building was erected in 1890. The present sanctuary was built in 1955.

The cemetery has been used as a community burying ground since the beginning of the earliest church. In the old part it is known definitely that there are a number of graves unmarked. These are identified by a rock or a small stone, and are listed in the back of the directory. Located in the grounds are ten soldiers of the Revolutionary War and four of the War of 1812. Nearly a hundred Confederate War dead and a number of World War One and Two, also one Spanish American and one Vietnam.

The S. D. Barron Chapter of the United Daughters of the Confederacy began annual meetings at Ebenezer Church on May 10, 1882 to observe Confederate Memorial Day, to honor those who were killed in the War Between the States and also the War of 1812. This group raised money for and erected on Ebenezer grounds a monument to those honored dead. It was unveiled on Sept. 2, 1908 with suitable and elaborate ceremonies.

There are quite a number of odd epitahs, some are in riddle. A few of the tombs have the family coat-of-arms, a custom brought from the old country. Time and weather have made some of these stones almost illegible therefore the reason for preserving these records, as on these stones are history and many interesting facts. Some tell of a grim accident, others of a terrible epidemic which took the lives of many young people and children.

The Ebenezer Memorial Association was organized September 2, 1945. Purpose of the organization was to provide means and authority for taking care of the church and cemetery grounds and plan for enlargement of the cemetery.

First officers of the association were President, Erwin Carothers; Vice President, Miss Mabel Jackson; and Secretary-Treasurer, Miss Annie Leitner Salters.

A caretaker's house was built in 1946 and dedicated at the annual meeting the first Sunday in September of that year. At this time a Board of Directors was selected, five in number, with one of the five to be the supervisor.

The 1955 officers were President, T. E. Steele; Vice President, Miss Juanita Neely; Secretary, Miss Jennie McNaull; Treasurer, Roy Hutchinson; General Manager, Joe H. Steele.

In recent years the cemetery has been surveyed and divided into 50 ft. sections and a small round cement marker at the corner of each section. The letters from A to F are used to designate the lines parallel to the Rock Hill-York Highway. The numerals from 1 to 8 are used to indicate the intersecting lines.

The Key Letter and number after each name indicate the section in the cemetery where the grave may be found.

## FOREWORD

The cemetery is located on the church grounds adjacent to the church building. The church was organized in 1785. The second building was erected in 1826 and was used until a brick building was erected in 1890. The present sanctuary was built in 1935.

The cemetery has been used as a community burying ground since the beginning of the earliest church. In the old part it is known definitely that there are a number of graves unmarked. These are identified by a rock or a small stone, and are listed in the directory. Located in the grounds are ten soldiers of the Revolutionary War of 1812. Nearly a hundred Confederate War dead and a number of World War One and Two, also one Spanish American and one Indian.

TOWN OF EBENEZER  
YORK COUNTY  
SOUTH CAROLINA

AVERY

An interesting grave is that of the most beautiful girl in the South in antebellum days, Mary America Avery, born in 1831 to Col. and Mrs. Edward Avery. At the age of 21 Mary made her debut in Columbia. It was here she was married to a young man who was a member of the same church. She died in 1852. Her body lay in state for 25 years and was brought to Ebenezer in 1877. She was buried in the cemetery.

EBENEZER MEMORIAL ASSOCIATION

The oldest known marked grave is that of Stephen McCorkle (2-12). Died Sept. 22, 1726 age 55. The second oldest marked grave is that of Susannah Nye (2-8). Died April 22, 1792, age 55 years.

It is believed that Major Hall, a large land holder, used slave labor to construct the stone wall with large stones laid on each other but not cemented. It has been enlarged from time to time and in 1935 was enlarged, rebuilt, and heavily lined with cement. Government Relief Funds were used for this project.

1975

In the beginning burial was free. Later a nominal charge of \$10 per lot was imposed. After the cemetery was enlarged and surveyed so that lots would be symmetrical, a charge of \$10 per grave was started.

In 1926 the members of the Christian Endeavor took a census of the cemetery, and from that information Dr. Bailey made a card index. From that time until his retirement Dr. Bailey kept a record of all burials, even though there is no marker. Unknown locations of graves are marked by an asterisk (\*).
