EARLY LAND SURVEYS

Fort Mill
York County
South Carolina
1840's

Prior to the year 1840 all of the White settlers living within the Indian Reservation leased their land from the Catawba Indians. After the Treaty of Nation Ford in 1840, the Indians traded away their rights to the reservation for \$21,000. All former leaseholders were then required by the State of South Carolina to have their land surveyed in order to gain clear title.
